

INTRODUCES REBATE CHECK STOCK 'ON DEMAND'

Need a small quantity of rebate checks?

Want to customize your message?

Not enough lead-time?

Promotion Support Services, Inc. (*PSS*) offers rebate check stock 'on demand'. You no longer need to pay premium prices for small print runs. We will produce exactly the number of checks you use and only when you need them. Security is also improved by eliminating storage of large quantities of blank checks.

All checks are laser printed on secure paper stock. Checks can also include brand logos, graphics, or other custom messages. To get started, we only need your desired copy, logo and banking information. Set-up time can be compressed into as little as one business day.

Contact *PSS* today to learn how our full range of outsourced marketing services, including checks on demand, could improve your consumer rebate programs. See why *PSS* has been recognized by our clients for both our high quality and our expedited delivery cycles.

Other *PSS* services include:

- Kitting for In-Store Demonstrations
- Packing and distribution of product samples
- Data entry
- Literature fulfillment
- Personalized laser letters or statements
